Help! I'm a Pastor

Steve Backlund (Bethel Church, Redding, California) and Jim Baker (Zion Christian Fellowship, Powell, Ohio) combined over 25 years of pastoral experience to create this epic book for pastors and their leadership teams. Using 80 life and leadership core values, the book recognizes 50 common church scenarios that could leave a pastor thinking, "They didn't prepare me for THIS in Bible school." Instead of folding into exasperation, the book takes leaders on a journey of discovering practical wisdom and

journey of discovering practical wisdom and victorious mindsets in the midst of leadership difficulties.
